

TS999 (SG DISC RED)

Grain type	Zirconia
Backing	Polyester + Jute Fiber
Color	Deep Red
Coating	Close Coat
Bonding	Resin Over Resin
Jumbo roll width	-

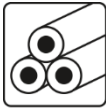

Applications

Stainless Steel

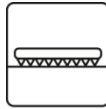

Aluminium

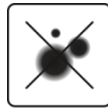

Non Ferrous

And Welding

Features

Close Coat

Anti-Burning

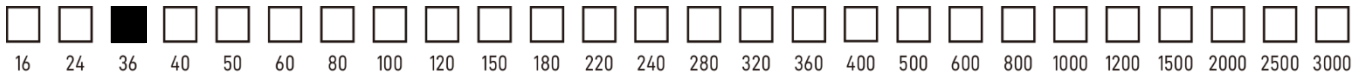

And Dry Sanding

Product form

Fiber Disc

Grit Sizes

: Available on demand only (Not regularly produced)

Benefits

- **Stainless Steel / Welding Rods / Aluminum / Non Ferrous**
- **Curl resistant upgrade (No curl) in any conditions**
- The most powerful cutting performance
- Durability upgrade than general vulcanized fiber products
- The best productivity in disc type
- Dry Sanding
