

# PX220

<b>Grain type</b>	Silicon Carbide Compact
<b>Backing</b>	Ywt Polyester
<b>Color</b>	Dark Gray
<b>Coating</b>	Close Coat
<b>Bonding</b>	Resin Over Resin
<b>Jumbo roll width</b>	1380mm

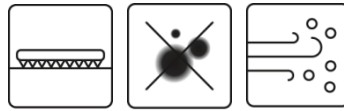

## Applications

Stainless Steel      Wood

And Carbon Steel, Cast Steel, Titanium, Die Casting

## Features

Close Coat      Anti-Burning      Anti-Clogging

And Dry Sanding

## Product form

Jumbo Roll      Narrow Belt      Wide Belt

## Grit Sizes

 : Available on demand only (Not regularly produced)

## Benefits

- Titanium Alloy / Heat treatment steel / Stainless Steel / Carbon Steel / Die Casting / Cast Steel / Hard Wood
- Long service life compared to conventional Silicon Carbide grain
- Dry sanding
