

VS999

Grain type	Ceramic
Backing	Fiber
Color	Dark Gray
Coating	Close Coat
Bonding	Resin Over Resin
Jumbo roll width	1370mm

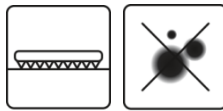

Applications

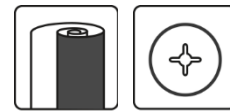

General Metal Welding
And Carbon Steel

Features

Close Coat Anti-Burning
And Dry Sanding

Product form

Jumbo Roll Fiber Disc

Grit Sizes

: Available on demand only (Not regularly produced)

Benefits

- High-Temperature Material / Carbon Steel / Forging Steel / Ferrous Metal / Welding Rods
- Burn Free treatment added
- Fast cutting, longer wear
- Deburring forged metal
- Dry Sanding
